## EXPERIENCE

### RAWCUBES PVT. LTD. | FULL TIME

September 2023 – May 2024 | Front-end Developer

- React.js and Material-UI: Designed and implemented dynamic dashboards featuring multiple graphs and charts using Material-UI. Developed custom date filtering functionality, enabling users to view data based on specific timeframes, enhancing data visualization and analysis.
- API Integration and Service Layer: Seamlessly integrated external APIs into the application architecture, ensuring real-time data updates and accuracy. Implemented a robust service layer to manage API requests and responses, enhancing the efficiency and reliability of data retrieval processes. Utilized Redux for efficient state management and API integration.
- Interactive Forms and User Interfaces: Developed interactive and user-friendly forms using React.js and Material-UI framework. Implemented custom validation logic to enhance user experience and ensure data accuracy. Proficient in leveraging Material-UI components to create visually appealing and responsive user interfaces.
- Created responsive user interfaces, handled API integrations with Redux for state management, and implemented routing for seamless navigation within the application. Engaged in various React development tasks to ensure a robust and efficient application.

### IBM | INTERN

July 2021- Aug 2021 | Web Development Intern,

- Developed responsive and user-friendly web interfaces using HTML, CSS, and JavaScript.
- Implemented dynamic functionality and interactivity using JavaScript frameworks like React.js.
- Integrated RESTful APIs for data retrieval and manipulation, leveraging tools such as Axios for seamless data handling.

## PROJECTS

### E-COMMERCE WEBSITE

| SKILLS: REACTJS

Link: [E-COMMERCE WEBSITE](#)

- Curated a comprehensive e-commerce web application with add to cart, place order features.
- Integrated Commerce.js for building custom storefront, cart, and checkout.

### TASK-MANAGEMENT-APP | SKILLS: JAVASCRIPT(ES6+)

Link: [Task-Management](#)

- The Todo App is a powerful task management application that allows users to efficiently organize their tasks and subtasks. With features such as task creation, subtask management, priority assignment, due date tracking, and robust filtering options, the Todo App aims to streamline your daily workflow.

## EDUCATION

### KIET GROUP OF INSTITUTIONS, GHAZIABAD

B.TECH IN INFORMATION TECHNOLOGY 2019-2023  
CGPA: 8.88/10

### RATAN LAL PHOOL KATORI, MATHURA

CLASS XII  
2018  
Percentage/Grade: 79.5

### RATAN LAL PHOOL KATORI, MATHURA

CLASS X  
2016  
Percentage/Grade: 87.4

## SKILLS

- Data Structure Algorithm • React Js
- Javascript • CSS • HTML • C++
- Operating System • Object Oriented Programming • DataBase Management System

## ACHIEVEMENTS

- Globally Ranked 22nd in January. LunchTime 2022 div3 CodeChef.
- Rank 2514 in Google Hash Code 2022.
- Rank 41 in CodeQuezt Contest 10 Naukri.com.
- Cracked the Walmart Codehers 2022.
- 3 Star at Codechef.
- 3 Star at Leetcode.

## POSITIONS OF

## RESPONSIBILITY

- Volunteer Endaevour 2020, Manage Team, Perform Task.
- Volunteer, ITME 2019 International Conference on Innovative Technologies.
- Member of Innogeeks Kiet.
